

West Michigan Regional Undergraduate Science Conference

Saturday, October 31, 2009
8:30 a.m. - 3:30 p.m.

The 3rd annual West Michigan Regional Undergraduate Science Research Conference allows undergraduate students to share their work with peers and help build the regional intellectual community. Undergrad students at regional institutions or who have done internships at these institutions are invited to present their research.

**Van Andel Institute
333 Bostwick Ave NE
Grand Rapids, MI 49503**

- **Keynote speaker: Dr. James Gentile
President & CEO of Research Corporation**
- **Poster sessions for undergraduate research projects**
- **Short research talks by faculty scientists**
- **Lunch will be provided**

Join us for a stimulating day of scientific interactions!
