

2024 VAI EPIGENETICS SYMPOSIUM

JULY 8 -10, 2024

The 2024 *VAI Epigenetics Symposium* will feature the latest advances in cancer epigenetics, with a focus on mechanisms and therapeutic applications. Our outstanding roster of speakers will highlight:

- Mechanisms of epigenetic dysregulation in cancer
- Epigenetic perturbations and therapeutics
- Technology frontiers in cancer epigenetics research
- Crosstalk between epigenetics and immune oncology

Registration opens in spring 2024. For more information on sponsorship opportunities, please email Courtney Zirkle at courtney.zirkle@vai.org.
