

SPONSORSHIP IMPACT

AROUND THE WORLD

Grand Rapids' Kickoff to Summer

6.6.2025 | 6-10 P.M.

THE NEED

At VAI Education, we recognize the immense potential that resides within every classroom. Teachers are the catalysts who ignite curiosity, creativity and critical thinking in their students, turning them into adept problem-solvers ready to tackle the challenges of tomorrow.

However, many educators face significant hurdles. They lack easy access to high-quality resources and strategies – and they are pressed for time to develop these tools independently

In response, VAI is set to launch a transformative membership site in August 2025. This platform will arm educators with inquiry-based science lessons, comprehensive project-based learning units and innovative teaching strategies. **We aim to raise \$200,000 to develop this site and sponsor the first 10,000 teachers.** Your contribution can empower our educators and inspire our future leaders!

YOUR IMPACT

Your contribution to this campaign will enable teachers to join the membership at no cost to them, giving them easy access to hundreds of impactful resources.	GIFT	# TEACHERS SPONSORED
	\$10K	500
	\$20K	1,000
	\$50K	2,500
	\$100K	5,000
	\$200K	10,000

These offerings are made possible by the generous support of our partners and donors. Here are just a few ways your gifts help students and teachers thrive!

\$500 – 30 students experience a VAI Field Trip

\$1,000 – 10 teachers receive Blue Apple™ projects

\$3,000 – 30 teachers receive one day of Professional Development

\$6,000 – 48 students receive two weeks of VAI Summer Camp

\$10,000 – 500 teachers able to join VAI Education's membership program (launching August 2025)

Every resource offered through the membership site is crafted from our direct experience with students, ensuring proven, practical tools that work in real classrooms. By supporting our initiative, you're not just funding a project – you're directly enriching the educational journeys of thousands of students across the country. Join us in fostering a future where curiosity, creativity and critical thinking thrives in every classroom!
