

2026 VAI EPIGENETICS SYMPOSIUM

May 11–13, 2026, at Van Andel Institute

The 2026 VAI *Epigenetics Symposium* will highlight cutting-edge topics at the intersection of epigenetics, variation plasticity and inheritance. Our distinguished lineup of speakers will explore:

- Mechanisms of pre- and post-conception phenotypic plasticity
- Mechanisms of intergenerational epigenetic inheritance
- Canonical and non-canonical mechanisms of intergenerational control
- Evolutionary impacts of plasticity systems
- Phenotypic plasticity, human variation and disease
