

Measuring the Moment:

WINTERFEST IMPACT REPORT

This year's *Winterfest Celebration* proudly continued a 21-year tradition of bringing together friends, supporters and scientists to advance Parkinson's disease research. **More than 230 guests** enjoyed an elegant and inspiring evening, highlighted by remarks from Dr. Darren Moore, who shared powerful insights into the Institute's groundbreaking research and promising clinical trials.

With the steadfast generosity of this community, *Winterfest* has now **raised \$3 million since its inception** – accelerating progress and offering hope to families affected by Parkinson's disease.

This celebrated event was only possible thanks to the generosity of our incredible supporters, who helped by:
