EPIGENETICS SYMPOSIUM

Aug. 24, 2027

VAN ANDEL INSTITUTE®

SPONSOR BENEFITS

The 2027 *VAI Epigenetics Symposium* will explore the dynamic role of epigenetics in nervous system development, function and disease. Sessions will span the evolution and development of the human cortex, the epigenetic mechanisms that influence nervous system formation and the impacts of epigenetic disruption across aging and neurological disorders. The symposium will feature a poster session and ample opportunities for networking across disciplines and career stages.

	SYMPOSIUM SPONSOR $3,000 • 1 available	SCIENTIFIC SPONSOR $1,500 • 5 available	DISCOVERY SPONSOR $500 • Unlimited
